

# Scholarship: Tuition Assistance Application

## Scholarship Availability

We have a limited number of scholarships available. Paid class enrollments subsidize our scholarship program, so we may not know until two to three weeks prior to the start of the program how much funding is available. Once we have determined the amount of scholarship funding, we will *immediately* process all scholarship applications and let you know what we are able to offer your child.

**Blessings Art Academy offers scholarships and tuition assistance to families/children with financial need. Scholarships will award based on the following criteria:**

- Financial need
- Interest and involvement in art
- Potential for growth and development through the art experience
- Space availability

**Blessings Art Academy** also offers tuition assistance in exchange for equity hours (volunteer hours that are performed at **Blessings Art Academy** prior or during the time of class or summer camp attendance). You can apply for cash scholarships or a combination of cash scholarships and equity hours for up to 75% of the cost of class.
